for other purposes.

IN THE HOUSE OF REPRESENTATIVES

Mr. VICENTE GONZALEZ of Texas (for himself and Mr. BARR) introduced the
following bill; which was referred to the Committee on Financial Services

A BILL

To exempt small seller financers from certain licensing
requirements, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Affordable Homeown-
5 ership Access Act”.

6 SEC. 2. FINDINGS.

7 Congress finds the following:

8 (1) Real-estate owner financing is a transaction
9 in which the owner of a real estate property provides
10 financing for the buyer of that property and the

1 buyer makes some form of a down payment to the
2 owner, receives the deed or title to the home and
3 then makes installment payments to the owner over
4 a defined period of time.

5 (2) Owner financers provide financing in lieu of
6 the buyer choosing to obtain a loan from a bank.

7 (3) The owner finance industry consists of
8 small business owners who own real estate and pro-
9 vide financing on those properties to underserved
10 buyers who cannot or would prefer not to obtain tra-
11 ditional bank or loan-based financing.

12 (4) Owner financers are governed by real estate
13 and consumer protection laws (including, but not
14 limited to, ability to repay, deceptive trade practices,
15 and usury laws) of each State, as well as State and
16 Federal fair housing and equal opportunity laws.

17 (5) Using owner financing will benefit home
18 values, increase neighborhood stabilization, and as-
19 sist with family wealth creation through increased
20 homeownership as more homes are sold with owner
21 financing.

22 (6) None of the amendments made by this Act
23 are applicable to transactions known as Contracts
24 for Deed or Land Installment Contracts, Lease Op-
25 tions, Lease with Option to Buy and Rent to Own.
